

- (9) Review of the conduct of such cutting, clearing, and moving may be requested of the County Soil and Water Conservation District Supervisors, the State District Fish and Game Managers, and the State District Forester by the Village Engineer or Plan Commission as they deem appropriate.
- (e) **Drainage Flows.** The Subdivision, Condominium or Certified Survey Map Developer (as applicable) shall cause to be set upon the master grading plan arrows indicating the directions of drainage flows for each property line not fronting on a street on all parcels and along each street as will result from the grading of the site, the construction of the required public improvements, or which are existing drainage flows and will remain. The arrows indicating the directions of flows shall be appropriately weighted so as to differentiate between the minor and major [one hundred (100) year event] drainage components. The arrows shall be accompanied on the master grading plan with the following note:

Arrows indicate the direction of drainage flows in various components resulting from site grading and the construction of required public improvements. The drainage flow components located in easements shall be maintained and preserved by the property owner unless approved by the Village Engineer.

Sec. 14-1-77 Erosion Control.

The Village of Bangor finds that urbanizing land uses have accelerated the process of soil erosion, runoff and sediment deposition in the waters of the Village. Therefore, it is declared to be the purpose of this Section to control and prevent soil erosion and minimize storm water runoff increases and thereby to preserve the natural resources, control floods and prevent impairment of dams and reservoirs, protect the quality of public waters, protect wildlife, protect the tax base, and protect and promote the health, safety and general welfare of the people of the Village. All land disturbing activities shall be subject to the provisions of the Village's Construction Site Erosion Control Ordinance (Title 15, Chapter 2).

Cross-Reference: Title 15, Chapter 2, "Construction Site Erosion Control".

Sec. 14-1-78 through Sec. 14-1-79 Reserved for Future Use.
