Sec. 5-2-3 Police Power of the Department; Investigation of Fires.

(a) **Police Authority at Fires.**

(b) **Fire Inspection Duties.**

- (1) The Fire Chief, or the Chief's designee, shall be the Fire Inspector of the Village of Bangor and shall have the power to appoint one or more deputy Fire Inspectors and shall perform all duties required of the Fire Inspectors by the laws of the State and rules of the Wisconsin Department of Safety and Professional Services, particularly Sec. 101.14, Wis. Should the Fire Inspector find that any provisions of this Code relating to fire hazards and prevention of fires are being violated, or that a fire hazard exists which should be eliminated, it shall be his/her duty to give such directions for the abatement of such conditions as he/she shall deem necessary and, if such directions be not complied with, to report such noncompliance to the Village Board for further action.

- (3) The Chief of the Fire Department is required, by himself/herself or by officers or members of the Fire Department designated by him/her as fire inspectors, to inspect all buildings, premises and public thoroughfares, except the interiors of private dwellings, for the purpose of ascertaining and causing to be corrected any conditions liable to cause fire, or any violations of any law or ordinance relating to the fire hazard or to the prevention of fires. Such inspections shall be made at least once in six (6) months in all of the territory served by the Fire Department, and not less than once in three (3) months in such territory as the Village Board has designated or thereafter designates as within the Village or as a congested district subject to conflagration, and oftener as the Chief of the Fire Department orders. Each six (6) month period shall begin on January 1 and July 1.
 - (4) Written reports of inspections shall be made and kept on file in the office of the Chief of the Fire Department in the manner and form required by the Wisconsin Department of Safety and Public Services. A copy of such reports shall be filed with the Fire Chief.

Every person who shall be present at a fire shall be subject to the orders of the Fire Chief or Fire Department officer in command and may be required to render assistance in fighting the fire or in removing or guarding property. Such officer shall have the power to cause the arrest of any person or persons refusing to obey said orders.

Sec. 5-2-7 Vehicles to Yield Right-of-Way.

Sec. 5-2-11 Banning and/or Regulating the Use of Fire, Burning Materials and Fireworks During the Existence of Extreme Fire Danger.

- (a) **Declarations of Emergency.** When there occurs a lack of precipitation, there may exist an extreme danger of fire within the Village of Bangor. This extreme danger of fire affects the health, safety, and general welfare of the residents of the Village of Bangor and constitutes a state of emergency. It is hereby found that the regulation of fires, burning materials, and fireworks is necessary and expedient for the health, safety, welfare and good order of the Village of Bangor during said emergency.
- (b) **Regulation of Fires, Burning Materials and Fireworks.** When a burning state of emergency is declared, it may be ordered that a person may not:
- (1) Set, build, or maintain any open fire, except:

 - b. Charcoal grills using charcoal briquettes, gas grills, or camp stoves in Village parks placed at least twenty (20) feet away from any combustible vegetation.

 - (3) Light or ignite a flare, except upon a roadway in an emergency.
 - (4) Light, ignite, or use anything manufactured, processed, or packaged solely for the purpose of exploding, emitting sparks or combustion for amusement purposes, including fireworks, firecrackers, bottle rockets, caps, toy snakes, sparklers, smoke

bombs, or cylindrical or cone fountains that emit sparks and smoke, except in displays authorized by the Village where adequate fire prevention measures have been taken.

(c) **Period of Emergency.**

- (1) The periods of emergency for which this Section shall be in effect shall be during such periods that La Crosse County, Wisconsin, is under Wisconsin Department of Natural Resources emergency fire regulations banning outdoor smoking and campfires, or when necessary as determined by the Village President, upon the recommendation of the Fire Chief.
- (2) Burning emergencies shall become effective upon the time and date of the Village President declaring a state of emergency and shall remain in effect until the period of emergency ceases to exist or until the ratification, alteration, modification, or repeal of the burning state of emergency by the Village Board.
